CRAFTED FUTURISM

A strong design language reinforces a brand and the INVICTO is not an exception to that. It embodies NEXA's Crafted Futurism design language, a work of art inspired by the future. The INVICTO brings to light signature design elements like the NEXTrè DRLs, LED Tail Lamps, and the NEXWave Grille with urbane chrome accents to play an active role in making the majestic.

Light-years away from ordinary's depth and imaginations.

There exists a league.

Unparalleled and truly starlike.

So much so that everyone wants to be a part of it.

But the best part is you are not everyone.

And you will never be conquered by the mundane.

You are invincible. And we welcome you to

*THE LEAGUE OF
EXTRAORDINARY*

LEAGUE DEFINING LOOK

There's an air of sophistication that always prevails with the INVICTO. Its defiant front fascia and striking alloys give it a sharp, insubmissive look, which make it a sight to behold. Moreover, its strong stance oozes elegance and commands attention when it is on the move and even when it's not.

LUXURY IN MOTION

The view of the arch lights, the sound of the applause, and the camera flashes are best enjoyed from inside the INVICTO. And all you have to do is take your seat and enjoy the show. While you are in it, you can switch from normal view to panoramic through the Sunroof whilst basking in the glory of the Ambient Lights, which add a sense of warmth and depth inside the cabin.

COMFORTABLY OPULENT

There's power in comfort. And that power helps you choose what sort of comfort you are in the mood for. Quiet at times. Groovy sometimes. But comfortably extraordinary all the time with ventilated seats in the front row, and plush captain seats in the 2nd row. For your added convenience, INVICTO comes with comfort enhancing features such as front and rear Multi-Zone Climate Control and One-Touch Powered Tailgate.

NEXA
